Dear Mr. Wriston:

This is to inform you of the approval of Amendment #6 to the FY 2021 – 2024 Transportation Improvement Program (TIP) and Amendment #18 to the KYOVA 2040 Metropolitan Transportation Plan (MTP) at the KYOVA Interstate Planning Commission Policy Board virtual meeting held on July 23, 2021. The Amendment consists of highway project changes for the West Virginia Department of Transportation and the Ohio Department of Transportation.

In addition, the final FY 2022 Unified Planning Work Program (UPWP) was amended and adopted during the KYOVA Policy Board Meeting.

Public review began July 1, 2021 and concluded at the close of business on July 16, 2021, which satisfied the required 15-day public review period. The projects met the air quality/conformity requirement through the Interagency Consultation (IAC) concurrence as the IAC concurred that these projects did not require a conformity determination.

Electronic copies of the meeting materials were distributed during the KYOVA Policy Board Virtual Meeting on July 23, 2021.

If you should have any questions please contact Christopher M. Chiles, Executive Director, or me at 304.523.7434 or by email ssalameh@kyovaiipc.org.

RESOLUTION APPROVING AMENDMENT #6 TO THE 2021-2024 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) AND AMENDMENT #18 TO THE 2040 METROPOLITAN TRANSPORTATION PLAN (MTP)

- WHEREAS,** KYOVA Interstate Planning Commission has been designated as the Metropolitan Planning Organization (MPO) by the Governors of West Virginia, Kentucky and Ohio for the Huntington, WV-KY-OH Urbanized Area acting through the West Virginia Department of Transportation/Division of Highways (WVDOH), the Kentucky Transportation Cabinet (KYTC), the Ohio Department of Transportation (ODOT) and locally elected officials in the KYOVA region; and
- WHEREAS,** KYOVA has adopted a 2021-2024 Transportation Improvement Program (TIP) and 2040 Metropolitan Transportation Plan (MTP); and
- WHEREAS,** West Virginia Division of Highways (WVDOH) and the Ohio Department of Transportation (ODOT) requested amendments to the current 2021-2024 TIP and 2040 MTP; and
- WHEREAS,** the project information was available for a 15-day public review as outlined in the Huntington, WV-KY-OH Participation Plan and received no comments; and
- WHEREAS,** the conformity report is required for Huntington, WV-KY-OH Urbanized Area due to the court vacating the revocation of the 1997 8-hour ozone standard. This area is in attainment for the 2008 and 2015 8-hour ozone standard; and
- WHEREAS,** the insignificance finding of the 1997 PM2.5 annual NAAQs means no regional modeling is required as the Huntington-Ashland area is in attainment for the 24-hour 2006 PM2.5 standard; and
- WHEREAS,** the Interagency Consultation (IAC) has determined the proposed project amendments #6 to the 2021-2024 TIP and #18 to the 2040 MTP are not subject to conformity;

NOW, THEREFORE, BE IT RESOLVED that the Policy Committee of the KYOVA Interstate Planning Commission, at a regularly scheduled meeting on July 23, 2021, adopts the attached project list as Amendment #6 to the 2021-2024 TIP and Amendment #18 to the 2040 MTP.

AND THE KYOVA 2040 MTP

COMMISSION
AMENDMENT #6 TO
THE FY 2021-2024
TRANSPORTATION
IMPROVEMENT
PROGRAM &
AMENDMENT #18 TO
THE 2040
METROPOLITAN
TRANSPORTATION
PLAN (MTP)**

The Public is hereby made aware that the KYOVA Fiscal Years (FY) 2021-2024 Transportation Improvement Program (TIP) and 2040 Metropolitan Transportation Plan (MTP) for the KYOVA Interstate Planning Commission Planning Area are being amended in accordance to the Fixing America's Surface Transportation (FAST) Act enacted on December 4, 2015, in cooperation with the West Virginia Department of Transportation - Division of Highways (WVDOT), Kentucky Transportation Cabinet (KYTC), Ohio Department of Transportation (ODOT), Federal Highway Administration (FHWA), Federal Transit Administration (FTA), Tri-State Transit Authority (TTA), Ashland Bus System (ABS), and Lawrence County Port Authority (LCPA).

The 2021-2024 TIP and 2040 MTP are for the KYOVA Interstate Planning Commission's Planning Area which includes: Cabell and Wayne counties in West Virginia; Boyd and Greenup counties in Kentucky; and the urbanized area of Lawrence County in Ohio. KYOVA supports the 3 state DOT's Performance Measure (PM) targets for PM 1: Safety; PM 2: Bridge and Pavement; and PM 3: System Performance in order to track each transportation project toward meeting the baseline goals for each measure in each of the key national performance areas. More specifically, the 2040 MTP is a financially constrained plan, meaning it identifies projects and programs that can reasonably be implemented within the years of the plan. The 2021-2024 TIP includes priority projects and programs for which implementation is anticipated in the next four fiscal years (FY 2021, FY 2022, FY 2023, and FY 2024). The KYOVA 2021-2024 TIP describes all highways projects, maintenance, and new capacity; transit projects (both capital and operating); and bicycle and other transportation projects for which federal funding is anticipated and provides a financial plan for implementation. The TIP also includes estimates of available FTA funds for vans to serve the elderly and handicapped. Furthermore, the FY 2021-2024 TIP satisfies the Program of Projects (POP) requirements of the FTA.

General public review will begin Thursday July 1, 2021 and conclude at the close of business on Friday July 16, 2021, which satisfies the required 15-day public review period. Persons wishing to review the proposed amendments for the FY 2021-2024 TIP and 2040 MTP may view the copies by visiting the KYOVA website at www.kyovaipc.org or request copies by contacting the KYOVA Interstate Planning Commission office before the end of the business day at 4:30 p.m. on Friday, July 16, 2021. Only written comments will be accepted. All comments must be received no later than 4:30 p.m., Friday, July 16, 2021. This amendment will be considered final if no written public comments are received by that time.

The KYOVA office is located at 400 Third Avenue Huntington, WV 25701. Business hours are 8:30 a.m. to 4:30 p.m. All interested persons should direct inquiries to Chris Chiles, Executive Director or Saleem A. Salameh, Ph.
