GENERAL INFORMATION

Section 5310 formula grant assistance program for the enhanced mobility of seniors and individuals with disabilities is available from the Federal Transit Administration through Title 49 U.S.C. 5310 (CFDA Number 20.513), as amended by MAP-21. The Federal Transit Administration (FTA) as well as KYOVA Interstate Planning Commission and the Tri-State Transit Authority (TTA) refer to this program as “the Section 5310 Program.” The goal of the Section 5310 Program is to enhance mobility for seniors and individuals with disabilities throughout the country.

Towards this goal, FTA provides financial assistance for transportation services planned, designed, and carried out to meet the specialized transportation needs of seniors and individuals with disabilities in all areas: urbanized, small urban, and rural. FTA, on behalf of the U.S. Secretary of Transportation, apportions the funds appropriated annually to the States and Urbanized Areas based on an administrative formula that considers the number of seniors and individuals with disabilities in a State or Urbanized Area (UZA). The program requires coordination with other federally assisted programs and services in order to make the most efficient use of Federal resources.

FTA regulations require Tri-State Transit Authority to prepare and submit a Section 5310 Application on behalf of all recommended agencies within the Huntington, WV-KY-OH Urbanized Area. Accordingly, TTA and KYOVA Interstate Planning Commission are responsible for notifying potential applicants and eligible local entities of funding availability; developing project selection criteria; preparing the application packet; determining an applicant’s eligibility; and selecting projects for inclusion in the 5310 Application. Upon FTA approval of the 5310 application, TTA will procure all vehicles and equipment. TTA is required to ensure that all approved agencies comply with federal requirements.

The 2018 Section 5310 Program Application Packet has been prepared to provide agencies requesting funding with information and guidance on the Section 5310 Program. Included is information on how to comply with program rules and regulations, preventative maintenance requirements, and reporting obligations.

Eligible applicants include (1) designated recipients of FTA Section 5307 funding; (2) Private non-profit organizations, if public transportation service provided by State and local governmental authorities is unavailable, insufficient, or inappropriate; (3) governmental authorities that certify to the Governor that no non-profit organizations are readily available in an area to provide the special services; and (4) governmental authorities approved by the state to coordinate services for seniors and individuals with disabilities.

Section 5310 funds are available for the purchase of equipment, such as handicapped accessible vans and communication equipment used in the transportation of seniors and individuals with disabilities. Transportation services can be provided to the general public after the needs of seniors and individuals with disabilities are met. Section 5310 funds are available on an 80% Federal, 20% local matching basis. Applicant organizations must provide the remaining 20% in cash from non-Federal sources, or if applicable, allowable federal sources.

Applying agencies must demonstrate that they have the resources to provide operating expenses for the life of the equipment and the managerial capabilities to carry out the project. The Section 5310 Program is jointly administered by the FTA, Tri-State Transit Authority and KYOVA Interstate Planning Commission.

It is imperative that each applicant adhere to the established guidelines and the calendar provided in this packet. TTA is unable to guarantee that every request for funds will be met.

ELIGIBLE SUBRECIPIENTS

Any private non-profit organization that desires to provide transportation services for seniors and individuals with disabilities is eligible to apply for funds. Private and nonprofit organizations are defined in the following manner:

Private: non-public, to wit: bodies which are not municipalities or other political subdivisions of states; are not public agencies or instrumentalities of one or more states, are not Indian tribes (except private non-profits that are formed by Indian tribes); are not public corporations, boards or commissions established under the laws of any state; or are not subject to control by public authority, state or municipal.

Non-Profit Organization: a corporation or association determined by the Secretary of the Treasury to be an organization described by 26 U.S.C. Section 501(c) which is exempt from taxation under 26 U.S.C. Section 501(a) or one which has been determined under State law to be non-profit and for which the designated state agency has received documentation certifying the status of the non-profit organization.

Section 5310 funds may also go to governmental authorities that certify to the Governor that no non-profit corporations or associations are readily available in an area to provide the special services; and governmental authorities approved by their State to coordinate services for seniors and individuals with disabilities. Local governmental authorities eligible to apply for Section 5310 funds are coordinators of services for seniors and individuals with disabilities designated by their State to coordinate human service activities in a particular area.

Governmental authorities certifying that there are no non-profit organizations readily available in an area to provide Section 5310 service must demonstrate through a survey and a written plan that all avenues have been exhausted in trying to locate a readily available non-profit organization. **Approval to apply for a Section 5310 vehicle would have to be given prior to the grant application cycle.**

Governmental authorities (FTA Section 5307 or 5311 recipients) requesting designation from their State as the coordinator of services for seniors and individuals with disabilities must apply for approval to submit a Section 5310 application prior to the start of the annual grant application cycle. NOTE: Section 5307 and 5311 recipients must coordinate with private non-profit providers of services under Section 5310.

Governmental authorities requesting approval to submit a Section 5310 Application, must submit an operation plan addressing the following:

- The designation of a facilitator or coordinator of the plan at the local level. An MPO or a local planning and development council could serve in this capacity or the governmental authority can suggest a facilitator to whom all parties have agreed.
- Address the effects the proposed plan will have on ADA requirements of the governmental authority.
- Indicate the level of coordination – Does the plan include central dispatching, pooled maintenance, etc.?
- Indicate the agency(ies) responsible for the operation of the vehicle.

- Will all vehicles carry the same system name or will individual identities be maintained?
- List of transportation providers included and not included in the plan with an explanation as to why an agency has chosen not to be part of the plan.
- Is the coordination effort only for FTA funded projects? How will other transportation funding sources be considered in the plan?
- List of funding sources.
- How is the vehicle to be maintained?
- A copy of a written agreement reached by all parties addressing the following:
 - Ongoing coordination process to assess the level of service and how to meet any unmet needs of seniors and individuals with disabilities.
 - The ongoing involvement of private providers.
 - Early planning notification to all transit providers including affording an opportunity for a public hearing.
 - Explanation of proposed service, in what geographic areas, providing transportation services to what seniors and individuals with disabilities.
 - Will the vehicle be limited to a particular client group and/or a geographic area?

A governmental authority approved for funding must agree to:

- Purchase of the vehicle being requested by TTA.
- Upon receipt of the vehicle, sign TTA’s non-negotiable standard Section 5310 Project Grant Agreement.
- Be responsible for the successful completion of the project.
- Abide by the Section 5310 reporting requirements and be subject to the Section 5310 Late Reporting Penalty System.

Dispose of any Section 5310 vehicle in accordance with TTA’s procedures. A governmental authority is subject to all of TTA’s Section 5310 requirements. The Manager of TTA reserves the right to waive or change any requirements or policies relating to public bodies that would best serve the interests of the program.

EXCEPTIONS

Because of the responsibilities of public transportation providers under the Americans with Disabilities Act (ADA), TTA is reluctant to accept any applications for the expansion of services in counties that currently have public transit providers. Should an agency want to expand services in one of these counties, they should submit a one-page description of the project prior to the grant application cycle for review by TTA. Additionally, they will need to provide a letter of support for the project from the local public transportation provider.

Given the various funding resources available to private non-profit hospitals and nursing homes, TTA has determined that these agencies will not be considered for funding under the 5310 program.

COORDINATION AND LOCALLY DEVELOPED PUBLIC TRANSIT-HUMAN SERVICES TRANSPORTATION PLANS

Lack of transportation can be a major obstacle for individuals with disabilities, older adults, children and youth, and other populations that need various social and health services. Interagency partnerships are

essential to coordinate travel needs to help increase the quality of life for these populations, as well as for the agencies to provide their services effectively and efficiently. A major goal of coordination is to provide more rides for targeted populations using the same or fewer assets.

Federal transit law requires locally developed coordinated public transit human services transportation plans as a condition for funding under the Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities Program.

By identifying both the transportation needs and issues of a particular area and the transportation services to meet these needs, locally developed coordinated plans can help reduce or eliminate many transportation problems, such as duplication of services and underutilization of resources, and actually help extend or expand service to meet unmet transportation needs.

In compliance with 49 U.S.C. 5310(d) (2) (B), TTA must certify that (1) projects it has selected or will select for assistance under the Section 5310 Program were derived from a locally developed, coordinated public transit-human services transportation plan: and (2) the plan was developed through a process that included representatives of public, private, and non-profit transportation and human services providers and participation by the public.

A coordination plan has been prepared for the Huntington, WV- Ashland, KY- Ironton, OH area, and updates will be filed as needed, approximately every four years. Section 5310 applicants should participate in any coordination meetings, development of plans, or ongoing plan updates. Additionally, each agency should coordinate its services to the maximum extent feasible.

ELIGIBLE PASSENGERS

Seniors

Section 5310 vehicles are for transporting seniors and individuals with disabilities. Seniors include, at a minimum, all persons 65 years of age or older. Grantees may use a definition that extends eligibility for service to younger (e.g. 62 and older, 60 and over) persons.

Individual with a Disability

Individual with a Disability means an individual who, because of an illness, injury, age, congenital malfunction, or other incapacity or temporary or permanent disability (including an individual who is a wheelchair user or has a semi-ambulatory capability) cannot use effectively, without special facilities, planning or design, public transportation facility. 49 U.S.C. 5302 (a) (5).

A disability substantially limits one or more of the major life activities of such an individual. It also includes a record of such impairment of being regarded as having such an impairment. An individual with a disability does not include an individual who is currently engaging in the illegal use of drugs.

General Public

After the needs of seniors and individuals with disabilities are met, the vehicle may be used for transporting the general public. TTA encourages the transporting of additional persons so that the vehicle is fully utilized. This effort helps foster coordination efforts.

ELIGIBLE EQUIPMENT UNDER SECTION 5310 PROGRAM

The Section 5310 Program provides 80% of the equipment cost to purchase cutaway vans, with or without lifts; narrow body cutaway vans, with or without lifts; 12 passenger vans; minivans; minivans with foldaway ramps; and communications equipment. The Americans with Disabilities Act requires that all agencies operating the demand responsive service provide equivalent service for individuals with disabilities. In order to provide equivalent service, as a rule of thumb, 50% of an agency's fleet must be ADA accessible vehicles.

Vehicles with lifts/ramps meeting ADA specifications will be procured for agencies unable to meet this requirement. Agencies who have equipment to provide equivalent service can request a non-accessible vehicle. Each agency's needs will be evaluated on a case by case basis by the review committee.

AMERICANS WITH DISABILITIES ACT (ADA) REQUIREMENTS

Agencies providing transportation services to individuals with disabilities, including individuals who use wheelchairs, must ensure that the service offered is equivalent to the level and quality of service offered to individuals without disabilities. Equivalent service takes into consideration response time, fares, hours, and days of operation, restrictions on trip purpose, geographic service area and constraints on capacity or service availability.

Agencies providing transportation services must ensure that they meet the following service provisions as required by the ADA:

1. Maintain, lifts, and other accessibility equipment in operating condition. Lift/ ramps must be cycled and tie-downs checked daily.
2. Require drivers to use accessibility features and provide assistance to passengers in the use of the equipment.
3. Deploy lifts and ramps at any designated stops.
4. Provide service to persons using respirators or portable oxygen or mobility aids.
5. Provide service to individuals who use wheelchairs to board and ride accessible vehicles. A wheelchair is defined as "a mobility aid belonging to any class of three or more wheeled devices, usable indoors, designed or modified for and used by individuals with mobility impairments, whether operated manually or powered." If the wheelchair lift/ramp can accommodate a mobility device that does not meet the definition, agencies should still provide the service.
6. Allow adequate time for vehicle boarding and disembarking.
7. Transport service animals. (Passengers are not required to provide any type of certification).
8. Train personnel to proficiency so that they operate vehicles and equipment safely and properly and treat individuals who use the service in a respectful and courteous way.
9. Display the blue accessibility symbol on all accessible vehicles.
10. Make information available in an accessible format upon request and have adequate telephone capacity, both voice and TDD.
11. Allow ambulatory passengers use of lifts or ramps upon request.

Applying agencies must take the ADA regulations into consideration when deciding the type of equipment needed, as well as the proposed service to be provided.

Approved agencies are required to develop ADA policies and procedures, including complaint processes for passengers and employees.

VEHICLE USAGE

Agencies funded under the Section 5310 Program are required to provide transportation services to seniors and individuals with disabilities originally designated in their application and within the geographical area described in their Section 5310 application for the duration of their vehicle's useful life.

MEAL DELIVERY FOR HOMEBOUND INDIVIDUALS

Agencies receiving assistance under Section 5310 may coordinate and assist in regularly providing meal delivery service for homebound individuals, if the delivery service does not conflict with or reduce services to seniors and individuals with disabilities as proposed in the original Section 5310 application.

IN HOME SERVICES

Providing in home services with a Section 5310 vehicle could result in a reduction of service to and interfere with transportation services for senior and individuals with disabilities; therefore, TTA discourages the use of vehicles for this activity.

INCIDENTAL USAGE

Incidental Use is the use of equipment or facilities purchased under the Section 5310 program during those periods when the equipment is not used for specific grant-related purposes. This type of use is allowed, but should be kept to a minimum and must not interfere with any transportation for seniors and individuals with disabilities.

OUT-OF-STATE USAGE

Agencies receiving assistance under the Section 5310 Program are to use the vehicle to provide transportation services to seniors and individuals with disabilities within the geographical area described in TTA's Section 5310 Application. **Out-of-state trips are strictly forbidden under the Section 5310 Program. Please note: Agencies located in border counties, a 50-mile radius is allowed for "incidental" trips.**

FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION REQUIREMENTS

Agencies providing transportation services across the state lines could be required to be licensed by the Federal Motor Carrier Safety Administration, as well as meet other requirements. It is the responsibility of the agency to determine if these requirements apply to your transportation program. Two exceptions to the applicability of Federal motor carrier licensing are:

- Transportation performed by the Federal government, a state, or any political subdivision of a state, or an agency established under a compact between states that has been approved by the Congress of the United States; and
- The operation of commercial motor vehicles designed or used to transport between 9-15 passengers (including a driver) for direct compensation, provided the vehicle is not being operated beyond a 75 air mile radius (86.3 statute miles or 138.9 km) from the driver's normal work reporting location, and provided the vehicle does not otherwise meet the definition of a

commercial motor vehicle, except that motor carriers operating such vehicles are required to comply with §390.15, 390.19, and 390.21(a) and (b)(2).

For more information on these requirements, an agency can contact the Federal Motor Carrier Safety Administration's website at www.fmcsa.dot.gov

LOW USAGE

Normally, an actively used vehicle will accrue 100,000 miles after 4 years of operation.

TTA reserves the right to remove a vehicle from any agency that puts less than 10,000 a year on their vehicle.

LEASING SECTION 5310 TO ANOTHER AGENCY

Vehicles acquired under 5310 may be used only in the following ways:

1. By the private, non-profit organization as described in its application.
2. By several private, non-profit organizations in coordinated service for a variety of seniors and individuals with disabilities. It is understood that, at a minimum, the service, which was proposed by the private, non-profit organization in its grant application, will be provided and that the originally designated clientele will be served.
3. By a private, for-profit operator, by lease or other contractual agreement with the private non-profit organization. FTA will permit vehicles acquired by non-profit agencies to be leased to private, for-profit companies where such arrangements provide for more efficient and effective service for seniors and individuals with disabilities.
4. By a public body when the private, non-profit organization elects to lease a vehicle to the public body rather than provide the service itself because the public body may be a more efficient provider; however, control over service, clientele, and vehicles remains with the private, non-profit organization.

Under all lease arrangements and effective policy control of vehicle usage must remain with the grant recipient. **BEFORE ENTERING INTO ANY CONTRACTUAL ARRANGEMENTS, PRIOR APPROVAL IS REQUIRED FROM TTA.**

SERVICE CONTRACTS

There are no restrictions regarding a grant recipient contracting with a public body or a private for profit operator for maintenance, repair, garaging, or assistance in routing and scheduling.

SECTION 5310 PROJECT GRANT AGREEMENT

Once an agency is approved for funding and upon receipt of equipment, the agency is required to enter into an agreement with TTA that states the terms and conditions under which the equipment is to be operated. The agreement ensures grant compliance. Some of the significant requirements are:

1. The agency is responsible for operating and using the equipment as proposed in the Section 5310 Application.
2. The agency is required to maintain financial, maintenance and operating records on the equipment. Also, the agency is required to report each month on vehicle usage for the useful life of the vehicle.

AGENCY FISCAL AND MANAGERIAL CAPABILITIES

Each recipient must demonstrate on an ongoing basis their fiscal and managerial capabilities to implement and carry out the project, which includes but is not limited to:

1. Demonstrating the financial and technical capacity to carry out the program including the safety and security aspects of the project.
2. Providing administrative and management support of the project implementation including sufficient administrative oversight to ensure that vehicles are being properly maintained and operated in a safe manner.
3. Ensuring that personnel are adequately trained in the safe operation of the equipment.
4. Accounting for project property and maintaining property inventory cards that contain all required information.
5. Demonstrating and retaining satisfactory continuing control over the use of project property.
6. Preparing and submitting required reports in a timely manner ensuring accuracy of the information.
7. Ensuring compliance with all FTA, federal requirements, or TTA requirements that are applicable to the project.
8. Ensuring local match funds are available and that operating funds are available for the life of the project.
9. Updating and retaining required reports and records for availability during audits or oversight reviews.
10. Documenting that equipment is in good working order and is being maintained in accordance with the manufacturer's recommendations.
11. Ensuring periodic reviews by project supervisor or agency management that maintenance procedures are being followed.
12. Ensuring that ADA equipment is in good working order and documentation is maintained verifying that the lift ramps and tie downs are in good working order.
13. Develop and implement sound financial procedures ensuring that the agency has an adequate financial system.
14. Keeping expenditures within the latest approved budget in accordance with project guidelines and eligible expense, if applicable.

PROJECT SELECTION

Once an agency has submitted their application to TTA, it is reviewed for completeness. The application is then evaluated based on need, vehicle utilization, coordination efforts, fiscal and managerial capabilities and the proposed operating plan. Past recipients reporting performance is taken into consideration in any funding request. If an application has missing documentation, the agency is given an opportunity to submit the omitted documents. No application is considered for funding without a positive Local Intergovernmental Review or proper sign-off and coordination documentation.

Any application received after the grant application deadline will be considered for funding ONLY after all other on-time requests have been met.

Equipment prices will determine whether or not an agency can be funded.

OBJECTION RESOLUTION

Applications that do not have transit provider objections resolved on or before August 17, 2018, or have not requested a meeting of the Special Transit Advisory Committee, on or before August 17, 2018, **WILL NOT** be considered for funding.

PSC COMPLAINT

An agency that has a PSC Complaint filed against it or pending before that Public Service Commission (PSC) cannot be considered for funding unless the issue is resolved prior to the August 17, 2018 deadline. Motor vehicles designated for use and operation by local county aging programs are exempt from PSC regulations.

SECTION 5310 GRANT APPLICATION PROCESS

Section 5310 grant application process involves two stages – the pre-grant approval stage and the grant implementation stage.

PRE-GRANT APPROVAL STAGE

1. Review of the enclosed material by your organization to assure the Section 5310 Program will assist in meeting your transportation needs.
2. Analysis of your organization's current equipment and the determination of the appropriate equipment to be requested in your organization's grant application.
3. Contact by your organization with the various local and State governmental agencies necessary to fulfill all planning and State application requirements.
4. If requesting an expansion vehicle, contact ALL rural and small urban transit providers, ALL taxi companies, and ALL paratransit providers in your organization's proposed service area in order to reach agreement on duplication and/or conflicts in services. This process is called obtaining sign-off documentation.
5. Your organization must assure that all private sector agencies in your area have been afforded a fair and timely opportunity to participate to the maximum extent feasible in the planning and provision of the proposed transportation services.
6. Submission of your organization's completed application to KYOVA. No application is considered for funding without a positive Local Intergovernmental Review and proper sign-off and coordination documentation.

GRANT IMPLEMENTATION STAGE

1. Submission of TTA/KYOVA recommended applications to the federal Transit Administration for grant approval.
2. Grant approval received by TTA from the Federal Transit Administration.
3. Vehicle bid out by TTA, ordered and delivered to the approved agencies.
4. Approved agencies notified to come to TTA to pick up the new vehicle. Agency provides required proof of insurance and signs Project Grant Agreement agreeing to provide transportation services as described in their original Section 5310 Application.
5. Approved agency provides transportation services.
6. Agency maintains, on site, required records relating to: preventative maintenance schedule, completed, daily Vehicle Inspection Report Forms, completed Comprehensive Maintenance Record

Forms, with invoice backup, current proof of insurance reflecting the TTA as co-insured, and the agency's written safety plan documenting procedures to be followed in the event of a vehicle accident, breakdown, or other emergency situation.

7. Agency reports monthly to TTA on the vehicle's usage for its useful life.

TITLE AND OWNERSHIP OF VEHICLE

Title to and ownership of any vehicle during its useful life shall remain at all times with TTA. The actual title will read Tri-State Transit Authority c/o the approved agency. This helps to protect the Federal interest in the vehicle.

USEFUL LIFE

Useful life of the vehicle will adhere to the 5010.1D Circular or any subsequent guidance issued by FTA regarding useful life.

SELLING OF VEHICLE THAT WAS LISTED IN SECTION 5310 APPLICATION AS BEING REPLACED

If an agency states in their Section 5310 application that they are replacing equipment, the agency is required to furnish written documentation (such as a copy of the bill of sale, signed over title, etc.) verifying that the equipment was replaced. This documentation must be received by TTA within 60 days of receiving the new equipment.

An agency must sell the replaced equipment. It is not acceptable for the equipment to be transferred to another program under the agency.

RESTRICTIONS

1. No modifications are to be made to any equipment purchased with the Section 5310 funds without prior approval from TTA.
2. Under no circumstances is any equipment purchased with Section 5310 funds to be used as collateral in order to obtain a loan.

INSURANCE REQUIREMENTS

Agencies are required to maintain an amount of insurance that will adequately cover the actual value of the project equipment should it be damaged or destroyed. Agencies are to list TTA as co-insured on any policy related to said equipment. This action is necessary in order to protect the federal interest in the equipment. The agency shall provide TTA with a proof of insurance, reflecting that TTA is the coinsured, upon each renewal of the policy.

MONTHLY REPORTS

Agencies are required to input a *Section 5310 Monthly Reporting Form* on every active Section 5310 vehicle in their fleet.

The *Section 5310 Monthly Reporting Form* is required to be submitted to TTA on or before the 10th day of each month reflecting the past month's data. For example, May's report entry is due on or before June 10. The report must be received by this date in order to avoid penalty points toward your next Section 5310 Application. Reports will be submitted electronically and uploaded to centralized database. If the agency is unable to submit electronically, that should be noted on their application so that the exception can be noted. TTA will maintain these records and upload to NTD as required, if required.

Agencies are required to input a *Section 5310 Monthly Reporting Form* until the vehicle has reached its useful life. TTA will notify agencies when the useful life has been met on their vehicle. The notification will state that the vehicle has been turned over to the agency and that monthly reporting entries are no longer necessary.

LATE MONTHLY REPORTS

The procedures for dealing with delinquent Section 5310 monthly reporting entries are as follows:

1. On the 20th day of the month, a phone call is made reminding the agency off the delinquent report entry. This is when an agency may begin accumulating penalty points.
2. On the 25th day of the month, a first memo is sent to the agency.
3. On the 10th day of the next month, a second memo is sent to the agency informing them of the consequences of delinquent reporting.
4. On the 20th day of the next month, a third and final letter is sent to the agency informing them that if the report is not received in the TTA office within 30 days, their Project Grant Agreement will be terminated and their Section 5310 vehicle will be removed.

If a Section 5310 vehicle sits idle, a blank report must be inputted along with an explanation as to why the vehicle was not operated. If a report is not inputted on behalf of the vehicle by the fifteenth day of the month, it will be considered late and penalty points will be assessed.

DRIVER TRAINING

The Americans with Disabilities Act requires that all drivers be trained in the safe and proper ways to transport disabled persons. In order to meet this requirement, TTA requires all drivers to be trained and certified in PASS (Passenger Service and Safety Certification). The (PASS) Driver Certification Program ensures that community transportation drivers have current expertise in passenger assistance techniques and sensitivity skills appropriate for serving individuals with disabilities. The one-day version is required of all 5310 drivers; however, drivers are encouraged to become PASS certified which involves a two-day course. All applicants must meet this qualification before delivery can be taken of any vehicle. There may be a charge for course materials; please check with your trainer.

Funded agencies must maintain certified drivers. All new hires are to be PASS certified within 60 days of employment. Section 5310 vehicles are to be operated only by persons who have the required training.

VALID DRIVER'S LICENSE

Each agency is responsible for ensuring that all drivers have valid and appropriate driver's license as required by TTA.

COMMERCIAL DRIVER LICENSE (CDL)

A Commercial Driver License (CDL) is required when a vehicle is designed to transport 16 or more persons (including the driver).

CLASS D LICENSE PROGRAM

TTA requires a Class D License if an individual meets the following:

- Any person eighteen (18) years and older with at least one year driving experience who operates motor vehicles weight rating (GVWR) of less than 26,001 pounds, a passenger capacity of 15 or less passengers, including the driver, and cannot transport hazardous materials that require the vehicle to be placarded.

NOTE: Anyone who operates motor vehicles which transport persons or property on a volunteer basis are NOT required to obtain the Class D License, nor are individuals who operate emergency vehicles, such as ambulances, rescue equipment, law enforcement and firefighters.

- Those persons for which the operation of a motor vehicle is incidental to their job duties or functions would NOT be required to obtain a Class D License.

Anyone with questions concerning the Class D License should contact their local Division of Motor Vehicles.

DRUG AND ALCOHOL TESTING

Any driver holding a CDL license could be required to submit to Drug and Alcohol testing under the Omnibus Transportation Employee Testing Act of 1991. For Drugs, the testing required is pre-employment; reasonable suspicion; post-accident; random; return to duty; and follow up. For alcohol, the testing required is: reasonable suspicion; post-accident; random; return to duty; and follow up. Individuals who are required to possess CDLs by virtue of state or local law or by employer policy, but not by Federal regulation, are not subject to the provisions of these regulations.

Any person who operates a commercial motor vehicle less than 26,001 GVWR is not required to be tested for controlled substances and/or alcohol under these rules unless the vehicle is designed to transport 16 or more passengers including the driver or is required to be placarded for hazardous materials transportation under Federal law. For additional information, contact your local Division of Motor Vehicles.

PROPERLY MAINTAINED VEHICLES

Each agency shall be responsible for maintaining all equipment in the best working condition possible, allowing for normal wear and tear. The agency shall establish preventative maintenance program that at least meets the manufacturer's minimum requirements. The preventative maintenance plan shall include the maintenance of lifts, ramps, and securement systems. The preventative maintenance program shall be utilized and maintained by the agency, in a file, on site, available for review by personnel from TTA or FTA during periodic onsite reviews.

DAILY VEHICLE INSPECTION REPORT

Drivers are required to perform a daily inspection of their vehicle, which includes the cycling of the wheelchair lift or ramp and checking securement systems. Inspections are to be performed utilizing the Daily Vehicle Inspection Report Form. Vehicles should meet an acceptable level of both interior and exterior cleanliness. Completed forms shall be maintained by the agency, in a file, on site, available for review by personnel from TTA or FTA during periodic onsite reviews. During on site reviews, documentation will be checked to see how soon issues noted on the Daily Vehicle Inspection Report Form are resolved or repaired.

COMPREHENSIVE MAINTENANCE RECORDS

A Comprehensive Maintenance Record Form is required to be maintained for each piece of equipment. All preventative maintenance, repairs, etc. shall be recorded on the Comprehensive Maintenance Record Form thereby providing a complete history of the vehicles maintenance and repairs. The Comprehensive Maintenance Record Form shall include preventative maintenance and repairs of lifts, ramps, and securement systems, including no charge items. Copies of invoices for preventative maintenance and repairs shall be maintained with the form. Completed forms shall be maintained by the agency, in a file, on site, available for review by personnel from TTA or FTA during periodic onsite reviews.

WRITTEN EMERGENCY PROCEDURES

Each agency shall develop and implement written emergency procedures for use by vehicle operators in the event of a vehicle accident, breakdown, or other emergency situation.

REPORT OF AN ACCIDENT/ INCIDENT

Each agency is to immediately report to TTA when equipment is involved in an accident or incident. The verbal report shall be followed by a written report that can be included on the Section 5310 Monthly Reporting Form entry. Records are to be maintained in the agency's files regarding all accidents or incidents for review by personnel from TTA or FTA during periodic onsite reviews.

INDEMNIFICATION

The recipient agency shall indemnify, and hold harmless TTA and its agents, servants and employees from any and all claims, suits, proceedings, losses, expenses, damages and liabilities, including, but not limited to attorney's fees and court costs caused directly or indirectly by, or arising out of, agency's use of the equipment purchased with Section 5310 funds. TTA shall not be liable for any loss or damage to any cargo or other property, real or personal, left stored, loaded or transported in or upon the equipment funded with Section 5310 funds, at any time or any place, including, without limitation, while located at any garage or other premises operated by the recipient agency and under any circumstances whatsoever, whether or not due to negligence of TTA, and the recipient agency shall waive all claims against TTA by reason thereof and shall indemnify, defend and hold TTA harmless from and against any and all claims, suits, actions or proceedings based upon or arising out of such loss or damage.

CERTIFICATIONS

In this application packet, your agency is signing various certifications. Agencies receiving equipment under the Section 5310 Program are required to abide by the signed certifications regarding areas, such as the Americans with Disabilities Act – Certification of Equivalent Service; Certification of Compliance with Title VI of the Civil Rights Act of 1964, as amended; Equal Employment Opportunities; Certification of Special Efforts to provide Transportation that Handicapped Persons Can Use; Assurance Concerning Nondiscrimination on the Basis of Disability in Federally-Assisted Programs and Activities Receiving or Benefiting from Federal Financial Assistance; School Transportation Operations Agreement; Energy Conservation; No Federal Government Obligations to Third Parties; Program Fraud and False or Fraudulent Statements or Related Acts; Debarment, Suspension, and Other Responsibility Matters, etc.

Any complaints received by an approved agency regarding the above shall be reported to TTA.

OTHER FEDERAL REQUIREMENTS

SCHOOL BUS SERVICE

Grantees are prohibited from providing exclusive school bus service unless the service qualified under an allowable exemption and is approved by the FTA Administrator. In no case can federally funded equipment or facilities be used to provide exclusive school bus service. Head Start transportation is considered human service transportation, not school bus service.

CHARTER

Section 5310 recipients may only provide charter services for program purposes, which is defined in 49 CFR Part 604 as transportation that serves the needs of either human service agencies or targeted populations (seniors or individuals with disabilities). The agency's service only qualifies for the exemption contained in 49 CFR 604.2(e) if the service is designed to serve the needs of targeted populations.

Charter service provided to a group, however, that includes individuals who are only incidentally members of the targeted populations, is not for program purposes and must meet the requirements of the FTA's Charter Rule. As examples, the following are considered charters and fall under the FTA Charter Rule:

1. An individual chartering a vehicle to take his relatives, including elderly aunts and a cousin who is a disabled veteran, to a family reunion; or
2. A charter for the Boy Scouts or a school group that includes grandparents.

TITLE VI

Grantees must ensure that no person shall, on the grounds of race, color or national origin, be excluded from participating, or denied the benefits of, or be subject to discrimination under any program, or activity receiving federal financial assistance. TTA and KYOVA administers the Section 5310 Program without regard to race, color and national origin. To find out more information on TTA's Title VI responsibilities or to file a Title VI complaint, please contact:

**Tri-State Transit Authority
1120 Virginia Avenue, West
PO Box 7965
Huntington, WV 25779
Phone: (304) 529-6094**

In addition to complying with the requirements itself, TTA must ensure that recipients of Section 5310 vehicles meet Title VI requirements. Recipients must:

- notify clients that the agency will operate programs without regard to race, color and national origin;
- describe the procedures that members of the public should follow in order to request additional information on the agency's nondiscrimination obligations;
- describe the procedures that members of the public should follow to file a discrimination complaint against the agency.
- The complete requirements are available under Appendix A of this application packet.

Appendix A must be completed and submitted as part of your application packet.

To help agencies meet their requirements, TTA will provide Title VI signs/stickers that are to be posted in Section 5310 vehicles at all times. If the sign/sticker becomes damaged or is lost, please contact TTA for a replacement.

Besides posting this information on the vehicles, your agency should include this information on either your agency's web site or in your agency's brochures.

(Your agency's name) operates its programs and services without regard to race, color and national origin in accordance with Title VI of the 1964 Civil Rights Act. To find out more about our nondiscrimination obligations, to file a complaint, or to request this information in another language, please contact us at (insert contact phone number).

Remember to keep the contact information updated. TTA must report Title VI complaints to FTA; **therefore, TTA requires that you report any Title VI complaints within 24 hours.**

LIMITED ENGLISH PROFICIENCY (LEP)

Grantees must provide meaningful access to individuals who are limited English proficient (LEP). LEP includes persons who are illiterate. Each grantee must determine what steps are necessary to provide meaningful access based on four factors:

1. The number and proportion of LEP persons served or encountered in the eligible service population.
2. The frequency with which LEP individuals come into contact with the program, activity or service.
3. The nature and importance of the program, activity or service provided by the program.
4. The resources available to the recipient and costs.

The complete requirements are available under Appendix A of this application packet.

Appendix A must be completed and submitted as part of your application packet. If your agency completed the required Title VI Plan in 2013, it is good for three years. Please reference in application.

EQUAL EMPLOYMENT OPPORTUNITY

Grantees may not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex, age, or disability. Grantees can demonstrate compliance with these requirements in several ways:

1. Have the Board adopt an EEO policy statement.
2. Post the EEO statement in conspicuous and accessible places.
3. Include an EEO statement on employment applications and want ads.
4. Provide sensitivity training to employees.

Title I of the ADA prohibits discrimination in employment and requires grantees to make reasonable accommodations for qualified employees and applicants.

SENSITIVE SECURITY INFORMATION

Each agency must protect, and take measures to ensure that its sub agreement at each tier protects sensitive security information made available during the administration of any agreement or any sub agreement to ensure compliance with 49 U.S.C. Section 40119(b) and implementing DOT regulations, Protection of Sensitive Security Information, 49 CFR Part 15, and with 49 U.S.C. Section 114(s) and implementing Department of Homeland Security regulations, Protection of Sensitive Security Information, 49 CFR Part 1520.

ACCESSIBILITY

Agency agrees that products and services provided shall be in accordance with the 42 U.S.C. Sections 12101 et seq. and DOT regulations, Transportation Services for Individuals with Disabilities (ADA), 49 CFR Part 37; and Joint ATBCB/DOT regulations, Americans with Disabilities (ADA) Accessibility Specifications for Transportation Vehicles, 36 CFR Part 1192 and 49 CFR Part 38.

TRAFFICKING-IN-PERSONS

Agency agrees to comply with, and assures the compliance of each sub recipient with, the requirements of the subsection 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended, 22 U.S.C. § 7104(g), and the provisions of the Trafficking in Persons subsection of the current FTA Master Agreement. Agency agrees to inform TTA of any information it receives from any source alleging a violation of a prohibition in the current FTA Master Agreement.

ENVIRONMENTAL JUSTICE

Agency agrees to facilitate compliance with the policies of Executive Order No. 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, 42 U.S.C. § 4321 note, except to the extent that the Federal Government determines otherwise in writing.

ENERGY CONSERVATION

Agency agrees to comply with, and obtain the compliance of its subcontractors, with mandatory standards and policies relating to energy efficiency contained in applicable state energy conservation plans issued in compliance with the Energy Policy and Conservation Act, 42 U.S.C. §§ 6321 et seq.

APPLICATION OF FEDERAL, STATE AND LOCAL LAWS AND REGULATIONS

Agency agrees to comply with changing federal, state and local requirements. The agency shall note that federal, state and local requirements may change and the changed requirements will apply to the Project as required.

FEDERAL REGULATION CHANGES

Agency shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the current FTA Master Agreement between the TTA and FTA, as they may be amended or promulgated from time to time during the term of this Project. The agency's failure to so comply shall constitute a material breach of the Project.

NO FEDERAL GOVERNMENT OBLIGATIONS TO THIRD PARTIES

Agency agrees that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Project, absent the express written consent by the Federal Government, the Federal Government is not a party to this Project and shall not be subject to any obligations or liabilities to TTA, agency, or any other party (whether or not a party to the Project) pertaining to any matter resulting from the underlying Project.

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

Agency acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq. and U.S. DOT regulations, Program Fraud Civil Remedies, || 49 C.F.R. Part 31, apply to its actions pertaining to this Project.

Upon execution of the Project, the agency certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying Project or the Federal Transit Administration (FTA) assisted Project for which the Project work is being performed. In addition to other penalties that may be applicable, the agency further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the agency to the extent the Federal Government deems appropriate.

SEAT BELT USAGE

Pursuant to Executive Order No. 13043, April 16, 1997, 23 U.S.C. § 402, agency is encouraged to adopt on-the-job seat belt use policies and programs for its employees when operating company-owned, rented, or personally-operated vehicles and include this provision in third party contracts, third party subcontracts, and sub-agreements entered into under this Project.

DISTRACTED DRIVING, INCLUDING TEXT MESSAGING WHILE DRIVING

Pursuant to Executive Order No. 13513, Federal Leadership on Reducing Text Messaging While Driving, || October 1, 2009, 23 U.S.C. § 402 note and DOT Order 3902.10, Text Messaging while Driving, December 30, 2009, the RECIPIENT is encouraged to adopt on-the-job policies and programs for its employees when operating company-owned, rented, or personally operated vehicles to reduce text messaging while driving and avoid distracted driving. This Special Condition is to be included in each third party sub-agreement at each tier financed with Federal funds.

AUDITS

Agency is required to report any audit findings that involve Section 5310 funded equipment immediately to TTA.

ON-SITE MONITORING REVIEWS

To ensure compliance with the various program requirements, TTA or its representative(s) and/or the FTA will periodically conduct on-site reviews. These reviews will also confirm the existence, condition and proper maintenance of funded equipment.

At a minimum, during these reviews the agency will be required to produce their preventive maintenance schedule; completed daily vehicle inspection reports also known as the pre-trip|| inspection; completed comprehensive maintenance record forms with invoice backup; current proof of insurance reflecting TTA as co-insured and the agency's written safety plan documenting procedures to be followed in the event of a vehicle accident, breakdown or other emergency situation. The actual equipment will be inspected to verify usage reported, as well as its condition. Agencies will also be reviewed for the appropriate postings and other program requirements.

In addition to these inspections, upon request by TTA, agencies on a periodic basis may be required to submit their comprehensive vehicle maintenance records for a desk review.

Failure to take corrective action of any deficiencies found during a review will result in an agency's suspension from the Section 5310 Program until the agency can adequately demonstrate that procedures have been put into place.

PROJECT COMPLETION

TTA will notify an agency in writing when a vehicle has reached its useful life. At that time, the agency will receive a title for the vehicle signed over to them. The agency will be responsible for paying the Division of Motor Vehicles (DMV) a 5% use tax on the fair market value, determined by the Division of Motor Vehicles, of the vehicle at the time the title is transferred.

An agency can continue to use the van as needed. When the van is disposed of, the agency will retain all of the proceeds from its sale.

Agencies should keep in mind that with the passage of the Americans with Disabilities Act (ADA) any agency providing transportation services, when viewed in its entirety, must provide a level of service to individuals with disabilities, including individuals who use wheelchairs, equivalent to the level of service provided to individuals without disabilities. This is a requirement for any transit provider regardless of their funding sources.

Should circumstances arise (major mechanical problems, wrecked, etc.) where a vehicle purchased with Section 5310 funds needs to be disposed of **prior to meeting its useful life**, permission must first be obtained from the Manager of TTA.

TECHNICAL ASSISTANCE AND TRAINING

PASS PROGRAM

TTA offers the PASS (Passenger Service and Safety Certification) program to all 5310 recipients. The PASS Driver Certification Program ensures that community transportation drivers have current expertise in passenger assistance techniques and sensitivity skills appropriate for serving individuals with disabilities.

PASS Instructors are located at other agencies as well. Instructor courses are offered approximately every three years. If your agency has a trained instructor, you are required to open your PASS training to other agencies in the region.

LATE APPLICATION SUBMISSION

Applications that are received after **4:00 p.m. on August 17, 2018**, will be considered for funding only after all other agencies on-time requests have been met. TTA and KYOVA **WILL NOT** be responsible for late, lost or misdirected mail.

APPLICATION INSTRUCTIONS

PLEASE FOLLOW ALL INSTRUCTIONS CAREFULLY.

Applications received by KYOVA that do not follow this format will be returned for revision to the submitting organization which may jeopardize your organization's Section 5310 funding.

Please use the checklist provided on pages 22-23 to ensure that all documentation is submitted correctly. Documentation should be submitted in the order provided in the checklist.

On or before close of business on Friday, August 17, 2018, please submit one (1) original of your agency's application to KYOVA Interstate Planning Commission at the following address. Please submit the Letter of Intent no later than close of business Tuesday, July 10, 2018.

Section 5: Project Application

VEHICLE NEED (if applicable)

1. What are the goals of your project?

2. Describe the client base that receives your transportation services.

3. Describe the use of the requested vehicle.

4. Please check the description that best fits your plan for the proposed vehicle(s).

Replacement

Purchase of Section 5310 vehicle with previously acquired Section 5310 vehicle being sold

Purchase of Section 5310 vehicle with non-Section 5310 vehicle being sold

Expansion

Purchase of Section 5310 vehicle with previously acquired Section 5310 vehicle being retained as a spare which expands agency's fleet **(sign-offs required)**

Purchase of Section 5310 vehicle to expand fleet **(sign-offs required)**

Purchase of Section 5310 vehicle with non-Section vehicle being retained as a spare which expands agency's fleet **(sign-offs required)**

NOTE: All vehicle(s) to be **replaced**, must have at least 90,000 miles of service at the time of application submission.

NOTE: TTA will allow one spare vehicle for agencies that have a fleet size of 1-5 and two spare vehicles for agencies that have a fleet size of 6-12.

5. How are existing transportation services unavailable, insufficient or inappropriate for your clients?

SERVICE AREA

The transportation service area of the Project is intended to include the geographic area over which the Project is operated and the area whose population is served by the Project, including adjacent areas affected by the Project.

6. Description of Service Area: (State exactly where requested vehicle is going to be utilized. From what location (center) will the vehicle be dispatched into what areas? Are there destinations outside the primary service area?)

7. Check the statement which best describes the type of transportation services within the area delineated in Question #6?

Seniors and individuals with disabilities within your service area will depend almost entirely upon your agency for their transportation in addition to that required for them to utilize and/or participate in the services and activities of the agency.

Seniors and individuals with disabilities within your service area will be provided transportation by your agency only to the extent necessary for them to utilize and/or participate in the service activities of your agency.

12. What are your organization's funding sources?

CURRENT VEHICLE INVENTORY

13. Complete the following Current Vehicle Inventory Chart. List all of your agency's vehicles that are used to provide transportation services. Attach additional sheets if necessary.

COORDINATION EFFORTS

All projects funded by the Enhanced Mobility of Seniors and Individuals with Disabilities Formula Program (Section 5310) must be part of a locally developed coordinated public transit-human services transportation plan. This plan was required to be developed through a process that included representatives of public, private, and nonprofit transportation service providers, human services transportation providers and the general public.

All known transportation agencies were notified that any agency planning to apply for funding under the Section 5310 Program, anytime within the next four years, had to ***PARTICIPATE IN THE PLAN DEVELOPMENT, ATTEND THE DEVELOPMENT MEETINGS, AND BE INCLUDED IN THE COORDINATED PUBLIC TRANSIT-HUMAN SERVICES TRANSPORTATION PLAN!***

KYOVA Interstate Planning Commission facilitated the development of the Coordinated Public Transit-Human Services Transportation Plan for the KYOVA Planning Area including the Huntington, WV-KY-OH Urbanized Area and continues to update the plan periodically. The MPO held meetings in your region and asked for input.

14. Does your agency currently participate in a cooperative/coordinated effort in your area?
Yes No

If yes, please describe the arrangement and specify the efforts.

If no please explain.

15. Describe the processes that your agency undertakes to ensure that the proposed transportation services are or will be coordinated to the maximum extent possible with other federally funded agencies and private transportation providers in the proposed service area?

16. Is the project included in the KYOVA Human Services Public Transportation Coordination Plan? If you are unsure please visit <http://www.kyovaipc.org> >Transit on KYOVA's website for a copy of the TMA Coordinated Public Transit-Human Services Transportation Plan.

Yes No

Please Explain:

17. Is the project included in the list of projects that address gaps in service as identified by the KYOVA Human Services Public Transportation Coordination Plan?

Yes No

Please describe the gap in service the proposed project will address:

18. Does any public transportation exist in the area that is served by the proposed project?

Yes No

If yes, explain why it cannot be used in place of the proposed project.

19. Did someone from your agency attend focus groups or meetings facilitated by KYOVA Interstate Planning Commission?

Yes No

20. Name of person(s) attending: _____

21. Location(s) of meeting: _____

22. Is your agency involved in any new coordination activities as a result of these efforts?

Yes No

If yes, please describe:

OPERATING PLAN

23. **Maintenance Program:** Do you have a vehicle maintenance plan which at least meets the minimum recommendations of the vehicle manufacturer?

Yes No

Is there a daily pre-trip vehicle inspection program in place? Yes No

Describe:

24. **Driver Selection** (check all that apply)

When selecting your drivers, does your agency:

Check their driving record? (valid, appropriate vehicle operator's license, eligible for insurance coverage?)

Require a physical examination?

Require driving experience with vehicles similar to those operated for your agency or satisfactory completion of a training program prior to actual passenger transportation?

Require a pre-employment drug/alcohol test?

25. **Driver Training:** Describe your agency's driver orientation program:

a. Does your agency have an ongoing driver safety program? Yes No

b. The Americans with Disabilities Act requires training of all drivers. Please list all drivers from your organization who have had Passenger Service and Safety Training (PASS) and are still driving. Attach additional sheets if necessary. **Please attach copies of training certificates with this application.**

Name of Driver(s) Still Employed:

c. Please list all drivers from your organization who **will require** PASS training. Attach additional sheets if necessary.

d. Has your agency prepared a transportation safety plan or yearly update?

Yes No

26. Why should this application be funded?

27. **If your agency is selected for funding, list below your agency's name and phone number as it should appear on the side of an approved vehicle.** Should your agency not want its name or phone number on the side of an approved vehicle, please state so below.

COORDINATION and SIGN-OFF SECTION

PROCEDURES

The Federal Transit Administration requires TTA to sign an assurance that they are providing for the "maximum feasible coordination" of services under the Section 5310 Program. During the application cycle, the sign-off process is used to determine that TTA can sign the required certification.

The sign-off process ensures that transportation providers in an area have been notified that an agency is applying for a Section 5310 Grant. This allows the existing transportation providers a fair and timely opportunity to participate, to the maximum extent feasible, in the development of the transportation program and in the provision of any special transportation services for seniors and individuals with disabilities.

A listing of known transportation providers is provided on the KYOVA website (kyovaipc.org). An agency should not consider this a final list of providers and should consult the Coordinated Public Transit-Human Services Transportation Plan for additional transportation providers.

Copies of all letters sent and completed sign-off forms be included in your agency's application submittal, including any additional correspondence with **ALL public, private and paratransit operators in your proposed service area.**

Should an agency have a complaint filed against them or pending before the Public Service Commission (PSC), TTA considers this to be an objection to the application. An application cannot be considered for funding unless the issue is resolved prior to the **August 17, 2018**, deadline.

Agencies funded by the Section 5310 Program are required to provide transportation services to seniors and individuals with disabilities as proposed in their Section 5310 Application. Transportation services are to be provided as stated in your agency's signoff letters mailed to all transportation providers in the proposed service area. **TTA is to be notified prior to any changes being made in a Section 5310 vehicle's service area.**

NO APPLICATION IS SCORED WITHOUT THE CORRECT SIGN-OFF AND COORDINATION DOCUMENTATION

SIGN-OFF LETTER – SAMPLE

All providers must be given 30 days to respond.

Dear **(Transit Provider)**:

The **(Name of Organization)** intends to apply for a capital assistance grant under the Section 5310 Program of the Federal Transit Act, as amended, for the purchase of a **(type of vehicle)** which will be used to provide transportation services for seniors and individuals with disabilities in **(Service Area)**.

We plan to **(agencies should state appropriate choice)**:

- Purchase a Section 5310 vehicle and retain non-Section 5310 vehicle as spare which expands agency's fleet
- Purchase a Section 5310 vehicle and retain previously acquired Section 5310 vehicle as a spare which expands agency's fleet
- Purchase a Section 5310 vehicle to expand fleet

The **(Name of Applicant)** plans to initiate/ continue **(Describe Agency Service Area and Specific Routes; Number and Type of Persons to be Transported; Number of Days per Week; Types of Activities)**.

This service is necessary because **(Features precluding the provision of such services by existing carriers or operators.)**.

Please complete and return the attached form by **(Within 30 days of mailing)**.

Should you have any questions, objections, or propose any restrictions to this project, please contact **(Name)** at **(Phone)** to discuss this proposal further.

Sincerely,

COORDINATION OF TRANSPORTATION SERVICES

LOCAL INTERGOVERNMENTAL REVIEW – ALL APPLICANTS

All Applicants must complete the Intergovernmental Review. Please see instructions below as the process for West Virginia, Ohio and Kentucky applicants may be different.

West Virginia and Ohio Applicants

Along with your application, you must submit an Application for Federal Assistance necessary to complete and Intergovernmental Review. Please fill out the highlighted sections. It is not necessary for your local planning organization to submit your local intergovernmental review to the State Clearinghouse. TTA will do this for you. Once a positive Intergovernmental Review is complete, your agency will be notified by KYOVA. **TTA and the Federal Transit Administration will not accept any applications that do not have a positive local intergovernmental review.**

Kentucky Applicants

The Kentucky State Clearinghouse has been designated as the state Single Point of Contact (SPOC) and is charged with providing state and local input to the appropriate federal agency. At the state level this task is accomplished by identifying those state agencies that should be involved in the planning and development of activities by Executive Order 12372, and providing these agencies with the opportunity to evaluate proposals in a timely, effective fashion. All federal applications are subject to EO 12372 Intergovernmental Review Process unless the application specifically states not subject to EO 12372.

The Kentucky State Clearinghouse processes the Intergovernmental Review Applications through an e-clearinghouse at the Kentucky Department for Local Government (DLG). All information and forms may be found at: https://kydlgweb.ky.gov/FederalGrants/16_eClearinghouse.cfm. If you have any questions or need assistance completing the forms, contact KYOVA Interstate Planning Commission. DLG will provide a letter of review to the applicant, which will serve as the required documentation for the Intergovernmental Review Process for the Section 5310 application.

All Applicants

Because of the responsibilities of public transportation providers under the Americans with Disabilities Act (ADA), TTA is reluctant to accept any applications for the expansion of services in counties that currently have public transit providers. Should an agency want to expand services in one of these counties, they should submit a one-page description of the project prior to the annual grant application cycle for review by TTA. Additionally, they will need to provide a letter of support for the project from the local public transit provider.

An Application for Federal Assistance must accompany your application when submitted to KYOVA Interstate Planning Commission on or before August 17, 2018. Projects must receive a positive Intergovernmental Review (no later than September 10th) to be considered for funding.

It is the applicant's responsibility to ensure that it allows the local planning organizations and Kentucky DLG adequate time to review the application. **Most planning organizations and the Kentucky DLG may take 30 to 45 days to review an application.**

INSTRUCTIONS FOR THE SF-424

Public reporting burden for this collection of information is estimated to average 45 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0043), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

This is a standard form used by applicants as a required face sheet for pre-applications and applications submitted for Federal assistance. It will be used by Federal agencies to obtain applicant certification that States which have established a review and comment procedure in response to Executive Order 12372 and have selected the program to be included in their process, have been given an opportunity to review the applicant's submission.

Item:	Entry:	Item:	Entry:																
1.	Select Type of Submission.	11.	Enter a brief descriptive title, description and location of the project. If more than one program is involved, you should append an explanation on a separate sheet. If appropriate (e.g., construction or real property projects), attach a map showing project location. For preapplications, use a separate sheet to provide a summary description of this project.																
2.	Date application submitted to Federal agency (or State if applicable) and applicant's control number (if applicable).	12.	List only the largest political entities affected (e.g., State, counties, cities).																
3.	State use only (if applicable).	13.	Enter the proposed start date and end date of the project.																
4.	Enter Date Received by Federal Agency Federal identifier number: If this application is a continuation or revision to an existing award, enter the present Federal Identifier number. If for a new project, leave blank.	14.	List the applicant's Congressional District and any District(s) affected by the program or project																
5.	Enter legal name of applicant, name of primary organizational unit (including division, if applicable), which will undertake the assistance activity, enter the organization's DUNS number (received from Dun and Bradstreet), enter the complete address of the applicant (including country), and name, telephone number, e-mail and fax of the person to contact on matters related to this application.	15.	Amount requested or to be contributed during the first funding/budget period by each contributor. Value of in kind contributions should be included on appropriate lines as applicable. If the action will result in a dollar change to an existing award, indicate only the amount of the change. For decreases, enclose the amounts in parentheses. If both basic and supplemental amounts are included, show breakdown on an attached sheet. For multiple program funding, use totals and show breakdown using same categories as item 15.																
6.	Enter Employer Identification Number (EIN) as assigned by the Internal Revenue Service.	16.	Applicants should contact the State Single Point of Contact (SPOC) for Federal Executive Order 12372 to determine whether the application is subject to the State intergovernmental review process.

CERTIFICATIONS

Read and sign the following certifications using a **blue pen**. Failure to sign these certifications will mean that your agency will not be considered for funding.

CERTIFICATIONS

I, _____, do hereby certify that the _____;
(Name) (Name of Applicant)

1. CERTIFICATION OF PROVISION OF NECESSARY LOCAL MATCHING FUNDS

shall provide the total amount of local match from non-Federal sources, or if applicable, allowable Federal sources required for the purchase of vehicle(s) or communication equipment within fifteen (15) days of receipt of written notification from TTA of the actual amount needed. It is my understanding that failure to comply with this stipulation will result in TTA's cancellation of the purchase order that is required in order to obtain my agency's vehicle(s) or communication equipment. I further understand that this cancellation will cause my agency to be delayed in the receipt of any vehicle(s) or communication equipment for approximately one (1) year.

2. MAINTENANCE CERTIFICATION

The Federal Transit Administration (FTA), realizing the potential problems of operability, safety, and reliability of the vehicle(s) or communication equipment, if it is not properly maintained, has instituted a requirement that all Section 5310 grantees must certify that a vehicle(s) or communication equipment purchased under the program will be maintained in accordance with the detailed maintenance and inspection schedules provided by the manufacturer. Also, see the Section 5310 Project Guide. Failure of a private non-profit agency to maintain vehicle(s) or communication equipment in accordance with their certification will preclude additional FTA assistance to that agency. I certify that I understand the FTA maintenance and inspection requirements and that the agency will comply.

3. CIVIL RIGHTS

Agree that the applicant will comply with the following requirements:

(1) Nondiscrimination. In accordance with Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d, et seq., Section 4 of the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6101, et seq., Section 102 of the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101, et seq. and Federal transit law at 49 U.S.C. § 5332, as amended by MAP 21, the APPLICANT agrees that it will not discriminate against any employee or applicant for employment because of race, color, national origin, religion, sex, age, or disability. In addition, the APPLICANT agrees to comply with any other applicable Federal statutes that may be signed into law or regulations that may be promulgated.

(2) Equal Employment Opportunity. The following equal employment opportunity requirements apply to this Project:

(a) Race, Color, National Origin, Religion, Sex, Disability or Age. In accordance with Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e, and Federal transit laws at 49 U.S.C. § 5332, the APPLICANT agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, —Office of Federal Agreement Compliance Programs, Equal Employment Opportunity, Department of Labor, 41 C.F.R. Parts 60 et seq., (which implement Executive Order No. 11246, —Equal Employment Opportunity,|| as amended by Executive Order No. 11375, —Amending Executive Order 11246 Relating to Equal Employment Opportunity, — 42 U.S.C. § 2000e note), and with any applicable Federal statutes executive orders, regulations, and Federal policies that may in the future affect construction activities undertaken in the course of the Project. The APPLICANT agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, disability or age. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the APPLICANT agrees to comply with any implementing requirements FTA may issue.

(b) Sex. APPLICANT agrees to comply with all applicable requirements of Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. §§ 1681-1683, 1685-1688, with U.S. DOT regulations, —Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance, 49 C.F.R. Part 25, and with any implementing directives that U.S.DOT or FTA may promulgate, which prohibit discrimination on the basis of sex.

(c) Age. In accordance with the Age Discrimination Act of 1975, as amended, 42 U.S.C. §§ 6101 et seq. and implementing regulations, the APPLICANT agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the APPLICANT agrees to comply with any implementing requirements FTA may issue.

(d) Disabilities. In accordance with Section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. § 12112, the APPLICANT agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, —Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act, ||29 C.F.R. Part 1630, pertaining to employment of persons with disabilities. In addition, the APPLICANT agrees to comply with any implementing requirements FTA may issue.

(3) APPLICANT also agrees to include these requirements in each sub-agreement financed in whole or in part with Federal assistance provided by FTA, modified only if necessary to identify the affected parties.

4. ENERGY CONSERVATION

APPLICANT agrees to comply with, and obtain the compliance of its subcontractors, with mandatory standards and policies relating to energy efficiency contained in applicable state energy conservation plans issued in compliance with the Energy Policy and Conservation Act, 42 U.S.C. §§ 6321 et seq.

5. CERTIFICATION OF SPECIAL EFFORTS TO PROVIDE TRANSPORTATION THAT DISABLED PERSONS CAN USE

The applicant hereby certifies that special efforts are being made in its service area to provide transportation that disabled persons, including wheelchair users and semi-ambulatory persons can use. The transportation resulting from these special efforts is reasonable in comparison to the transportation provided to the general public and meets a significant fraction of the actual transportation needs of such persons within a reasonable time.

6. LITIGATION CERTIFICATION

As the authorized representative for the applicant, I hereby certify that to the best of my knowledge there is no litigation pending or threatened which might affect the performance of this Project.

7. FISCAL AND MANAGERIAL CAPABILITY CERTIFICATION

As the authorized representative for the applicant, I hereby certify that, based on my experience with the applicant and a review of the applicant's records that the applicant has the requisite fiscal and managerial capability to carry out this Project.

8. APPLICATION OF FEDERAL, STATE AND LOCAL LAWS AND REGULATIONS

The agency hereby certifies that it will comply with changing federal, state and local requirements, the APPLICANT shall note that federal, state and local requirements may change and the changed requirements will apply to this Project as required.

Federal Regulation Changes - APPLICANT shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the current FTA Master Agreement between TTA and FTA, as they may be amended or promulgated from time to time during the term of this Project. The APPLICANT'S failure to so comply shall constitute a material breach of this Project.

9. INSPECTION

The agency hereby certifies that it shall permit TTA, the Comptroller General of the United States and the Secretary of the United States Department of Transportation, or their authorized representatives, to inspect all vehicles, facilities and equipment used by the Agency as part of the Project to verify compliance with the requirements of the Section 5310 Program. All records of the transportation services rendered by the Agency, including maintenance records, records verifying usage of the vehicle, and all relevant Project records shall also be available for inspection. The Agency shall also permit the above named persons or agencies to audit the records and accounts of the Agency pertaining to the Project.

10. COORDINATION

As the authorized representative for the applicant, I hereby certify that to the best of my knowledge the agency has coordinated, to the maximum extent feasible, with other transportation providers and users, regardless of their funding source.

11. EFFECTS ON PRIVATE MASS TRANSPORTATION COMPANIES

The applicant as required by 49 U.S.C. 5323(a) (1) (C) or 5323 (a) (2) (B), certifies that before it acquires property or an interest in property of a private mass transportation company or operates mass transportation equipment or a facility in competition with or in addition to transportation service provided by an existing mass transportation company it has or will have:

A. Provided for the participation of private mass transportation companies to the maximum extent feasible; and

B. Paid or will pay just compensation under state or local law to a private mass transportation company for its franchises or property acquired.

12. NO FEDERAL GOVERNMENT OBLIGATIONS TO THIRD PARTIES

The applicant acknowledges and agrees that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying Project, absent the express written consent by the Federal Government, the Federal Government is not a party to this Project and shall not be subject to any obligations or liabilities to TTA, APPLICANT, or any other party (whether or not a party to the Project) pertaining to any matter resulting from the underlying Project.

13. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

As the authorized representative for the applicant, I certify the applicant acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq. and U.S. DOT regulations, —Program Fraud Civil Remedies, 49 C.F.R. Part 31, apply to its actions pertaining to this Project. Upon execution of the underlying Project, the APPLICANT certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying Project or the Federal Transit Administration (FTA) assisted Project for which the Project work is being performed. In addition to other penalties that may be applicable, the APPLICANT further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the APPLICANT to the extent the Federal Government deems appropriate.

14. SENSITIVE SECURITY INFORMATION

The applicant, if selected for funding, must protect, and take measures to ensure that its sub agreement at each tier protect,—sensitive security information|| made available during the administration of any agreement or any sub agreement to ensure compliance with 49 U.S.C. TITLE VI REPORTING

Please complete the form using the number of transportation clients served. An individual client may be reported as both a low-income and minority client. Only report the transit system's clients served. DO NOT report US Census percentages or passenger trips. Use your client database to determine the number of low-income and/or minority clients. If you don't have that information, provide your best estimate and footnote how you arrived at that estimate at the bottom of the page. Please use the most recent data available.

Transportation Clients Served	Category
	<u>Low-Income</u> : a person whose median household income is at or below the Department of Health and Human Services' poverty guidelines
<u>Minority Persons</u> include the following:	
	American Indian and Alaska Native – refers to people having origins in any of the original peoples of North and South America (including Central America), and who maintain tribal affiliation or community attachment.
	Asian – refers to people having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent
	Hispanic or Latino – includes persons of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture origin, regardless of race
	Native Hawaiian and Other Pacific Islander – refers to people having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands

TITLE VI PROGRAM QUESTIONNAIRE

NOTICE TO THE PUBLIC

FTA requires that each grantee notify the public of its rights under Title VI and include the notice and where it is posted in the Title VI program. The notice must include:

- *A statement that the agency operates programs without regard to race, color, and national origin*
- *A description of the procedures that members of the public should follow in order to request additional information on the grantee's nondiscrimination obligations*
- *A description of the procedures that members of the public should follow in order to file a discrimination complaint against the grantee*

The notice can be a separate document, such as a posted sign, a statement that is in another document, or a stand-alone document, such as a Title VI brochure. A sample Title VI notice is provided in **Appendix A**.

1. Please provide a copy of **your** Title VI notice(s).
2. Where are the notices posted?

COMPLAINT INSTRUCTIONS AND FORM

FTA requires each grantee to have instructions for the public to follow and a form for the public to use for filing a Title VI complaint. TTA has provided for you the form and procedures for filing a Title VI complaint. **Attachment B** presents the sample form and procedures.

3. Please provide a copy of **your** agency’s complaint form and procedures.

TITLE VI COMPLAINTS, INVESTIGATIONS AND LAWSUITS

FTA requires that the Title VI program include a list of transit-related Title VI complaints, investigations, and lawsuits. TTA obtains this information with grant applications. Please note that EEO and ADA complaints are not Title VI complaints so do not list them. If you are part of a city, county, or human service agency, only list Title VI complaints, investigations, or lawsuits related to transportation services.

4. Have you had any Title VI complaints, investigations, or lawsuits related to your transportation services? If yes, please complete the following table:

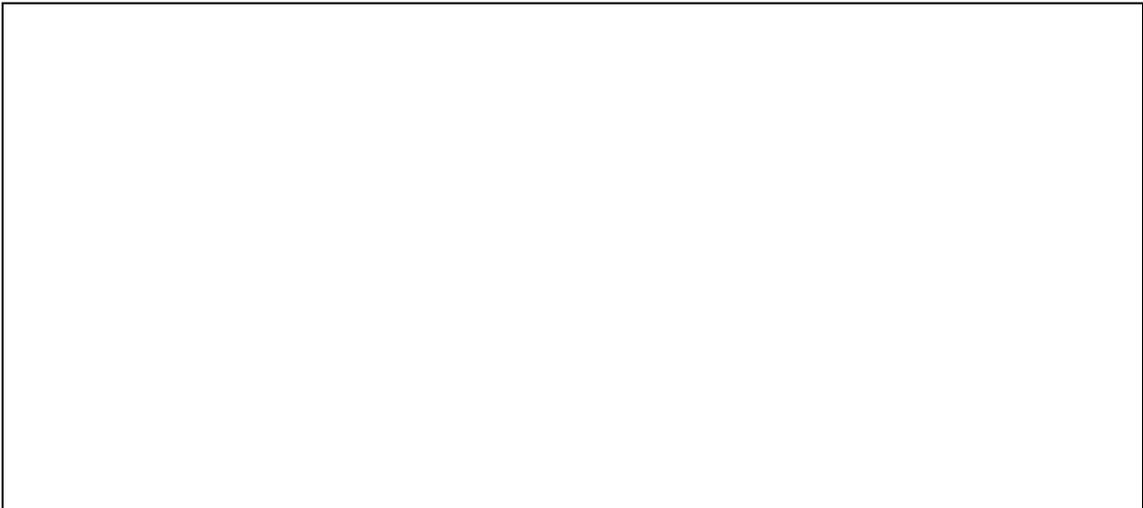

Type	Date	Summary	Status	Action(s) Taken
Complaints				
Investigations				
Lawsuits				

PUBLIC PARTICIPATION ELEMENT

FTA requires that the Title VI program include a public participation plan that includes an outreach plan to engage minority and limited English proficient (LEP) populations. The plan may include

other constituencies that are traditionally underserved, such as people with disabilities, low-income populations, and others. Applicants to TTA for FTA assistance are required to comply with several requirements that help meet this Title VI requirement. These requirements include the published notice of intent to apply to TTA for FTA assistance and participation in the public transit-human services transportation coordinated plan development. Other public participation methods include open Board/ council meetings, council meetings of cities and counties that provide local funding, advisory committees, public involvement efforts for transportation services, passenger surveys, marketing efforts, such as booths at fairs, and presentations to service and other organizations.

5. Describe the mechanism for disseminating information to the public. Provide a summary of public outreach and involvement activities undertaken and a description of the steps taken to ensure minority, low-income, and Limited English Proficiency populations have meaningful access to these activities.

LIMITED ENGLISH PROFICIENCY (LEP) ELEMENT

FTA requires that the Title VI program include a plan for providing language assistance to LEP persons. An LEP person is someone who speaks English less than very well.

6. Do you have a mechanism in place to ensure meaningful access to the benefits, services, information, and other important portions of your programs and activities for individuals who are Limited English Proficiency? Please explain.

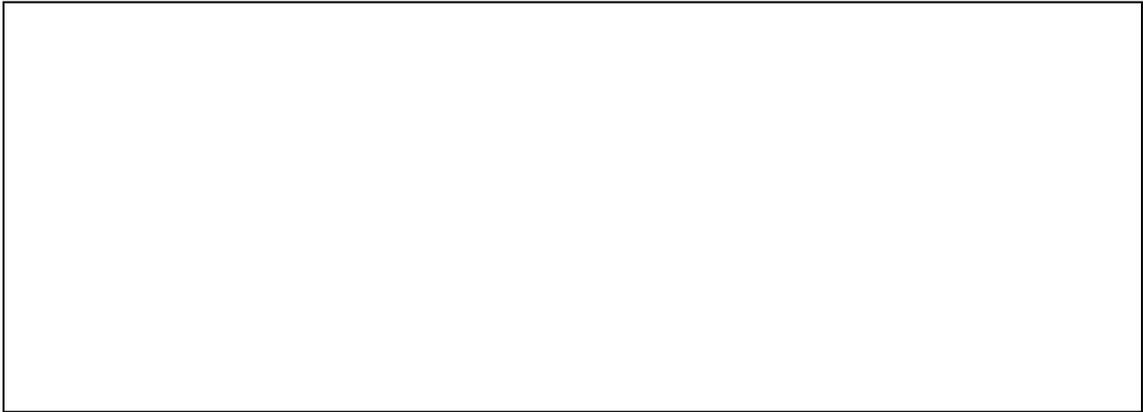

PLANNING AND ADVISORY BOARDS

FTA requires that the Title VI program present the racial make-up of all transit related, non-elected planning boards, advisory councils or committees, or similar committees, the membership of which is selected by the recipient, and a description of the efforts to encourage the participation of minorities on such committees.

7. List all of your transit-related advisory boards and committees (if any) and the purpose of each.

8. What is the racial makeup of each board and committee?

9. What efforts are undertaken to encourage participation of minorities on these committees?

(Your agency's name)

Title VI Procedures Title VI of the 1964 Civil Rights Act requires that —No person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

Any person who believes that he/she has been aggrieved by an unlawful discriminatory practice on the basis of race, color or national origin by (insert your agency's name) may file a complaint by completing and submitting (your agency's name) the Title VI Complaint form.

How do you file a complaint?

You may download the (your agency's name) Title VI Complaint Form at (give web address), or request a copy by writing or phoning (list your agency's full name, address and phone number). You may file a signed, dated and written complaint no more than 180 days from the date of the alleged incident. The complaint should include:

- Your name, address and telephone number. (See Question 1 of the Complaint Form)
- How, why, and when you believe you were discriminated against. Include as much specific, detailed information as possible about the alleged acts of discrimination, and any other relevant information. (See Questions 7, 8, 9, and 10 of the Complaint Form)
- The names of any persons, if known, whom the director could contact for clarity of your allegations. (See Question 11 of the Complaint Form)

Please submit your complaint form to address listed below:

Director
Your agency's name and address

How will your complaint be handled?

(Your agency's name) investigates complaints received no more than 180 days after the alleged incident. (Your agency's name) will process complaints that are complete. Once a completed complaint is received, (Your agency's name) will review it to determine if acknowledgement letter informing her/him whether the complaint will be investigated by (your agency's name).

Attachment B – Continued
Title VI Complaint Form and Procedures

(Your agency's name) will generally complete an investigation within 90 days from receipt of a completed complaint form. If more information is needed to resolve the case, **(your agency's name)** may contact the complainant. Unless a longer period is specified by **(your agency's name)**, the complainant will have ten (10) days from the date of the letter to send requested information to the **(your agency's name)** investigator assigned to the case. If **(your agency's name)** investigator is not contacted by the complainant or does not receive the additional information within the required timeline, **(your agency's name)** may administratively close the case. A case may be administratively closed also if the complainant no longer wishes to pursue their case.

After an investigation is complete, **(your agency's name)** will issue a letter to the complainant summarizing the results of the investigation, stating the findings and advising of any corrective action to be taken as a result of the investigation. If a complainant disagrees with **(your agency's name)** determination, he/she may request reconsideration by submitting a request in writing to **(your agency's name)** director **(or the appropriate title)** within seven (7) days after the date of **(your agency's name)** letter, stating with specificity the basis for the reconsideration. The director **(or the appropriate title)** will notify the complainant of his decision either to accept or reject the request for reconsideration within 10 days. In cases where reconsideration is granted, the director **(or the appropriate title)** will issue a determination letter to the complainant upon completion of the reconsideration review.

A person may also file a complaint directly with the Federal Transit Administration, at FTA Office of Civil Rights, 1200 New Jersey Avenue SE, Washington, DC 20590. If information is needed in another language, then contact **(your agency's name)** at **(phone number)**.
