Justification: In 2012, the Huntington, WV-KY-OH was designated a Transportation Management Area (TMA). The TMA designation provides STBGP-200K funds to KYOVA Interstate Planning Commission based on the 2010 Census Bureau Urbanized Area population. STBGP-200K funds may be utilized for all eligible transportation projects at the discretion of the KYOVA Policy Committee. Project #1 was approved by the KYOVA Policy Committee at a regularly scheduled meeting on April 27, 2018 and Project #2 was approved at a regularly scheduled meeting on March 1, 2019. The project eligibility is based on Title 23 U.S.C. 133(b)(5). This TIP modification also serves as the request from KYOVA to WVDOH to transfer funds from FHWA to FTA.

*Note: To transfer funds from FHWA to FTA, the state department of transportation must request that the funds be transferred, with the concurrence of the metropolitan planning organization (MPO) if the project is within a metropolitan planning area, in a letter to the FHWA Division Office.
